October 1, 2012

To: All parishioners, former parishioners, and general public

From: Anniversary Committee

The year was 1912. The event was a celebration. It was a time in which many people were thankful for their own lives and for their fellow human beings with whom they shared burdens, worked for goals, and grew in the understanding of a new world. These people were Ukrainian immigrants who had left their homeland in search of the promise for a new peace and prosperity for their families.

As with many new Canadians the Ukrainian people brought with them their language, customs, and beliefs. The people settled close to their work place. Realizing the importance of family and community these new Canadians built a church where they could come together to worship. The church was named the Holy Ghost Ukrainian Catholic Church.

The Ukrainian parish community has been a vital part of Sydney for 100 years. The church has enriched the lives of not only the Ukrainian people it serves but all the members of the local community. The Ukrainian parish is thankful for the fellowship of all local citizens.

In order to grow together, even closer, the Ukrainian parish community extends a welcome for everyone to be a part of the 100th Anniversary celebrations which are scheduled for August 2 – 5, 2012 in Sydney, N.S.

Please join with our parish as we celebrate this very special time in our history.

Please send back registration forms and fees to the Ukrainian Parish no later than December 31, 2011.
