

shadowing of Polaris submarines and NATO surface warship manoeuvres are now familiar.

BLATANT SPYING

The world's largest fish factory ship class, the 150-unit Russian Mayakovsky, makes its contribution to ocean spying when its ELINT - equipped units anchor chock-a-block with Gibraltar's tourist ships from Spain and warships visiting from the Mediterranean.

In the South Pacific, Russia's biggest tracking vessels, the 12,000-ton Suchan class, are magnificent floating electronic plat-

WOMEN'S CLUB 1968 ENJOYS SLEIGH RIDE

On the evening of January 21, a sleigh ride was enjoyed by members of the Ukrainian Catholic Women's Club, and a few of their friends. A wonderful time was had by all. Music was provided by Mrs. Sara Somers, and a sing-song was led by Mrs. Marie DeLorenzo and Mrs. Somers. Members enjoyed a few songs by Barney Peters. Following the sleigh ride, refreshments were served at the Ukrainian Hall.
